

Urban Event Bakewell

Wednesday 1st January 2014

Mass Start 11 a.m.
Registration 10:30 to 10:50

Note that although a mass start it is NOT a score event

By car: Parking is available in various car parks, but registration and start is in Smith's Island Car Park. SK221683. Nearest Post Code DE45 1AH. From Derby direction follow signs to Agricultural Centre car park and walk across bridge. From all other directions turn east into Station Road/Coombs Road at east end of Bakewell Bridge and use roadside parking or the car park.

By public transport: Bus 6.1 Check times for New Year's Day with www.trentbarton.co.uk

Terrain: Town streets with alleys and small open areas. Steep in parts. Studded shoes are advisable especially on Long & Medium courses, depending on the weather you will encounter some mud.

Map: Scale 1:5,000, with 5 metre contours to ISSOM2007 (Sprint Map Standard).

SI Electronic punching

Courses: Long 6.4km + 85m., Medium 4.6+ 60m., Short 2.5 + 20m. Remember in urban events you usually run much further than declared. Entries will not be accepted for under 16s (on the day) for the long or medium courses as these cross major roads. Short course crosses major road twice at a Pelican Crossing – wait for green man, one minute time out between controls on each side.

Mass Start 11 a.m. Courses Close 12:30, you must report to download at the finish before then even if you retire.

Prices:

Adults £3, Juniors £1.50. E-card hire 50p.

Organiser: Mike Godfree (Mike.Godfree@btinternet.com). An e-mail to say which course you expect to run would help to ensure we have enough maps.

Note you may not enter the private areas shown in olive green even if there looks to be way through.

You may not cross walls shown with thick black line (even though physically crossable)
