The young junior course is contained within the park. Under 16's will be allowed to run open courses if shadowed by an adult.

Competitors please bear in mind the well-being and safety of other town centre users. Respect other peoples' properties. Where there are impassable walls/fences/hedges, competitors will not try to cross them. Take care when crossing any roads.

For safety reasons the promenade will be out of bounds while competing. There is a brass band performance from 1pm, plus a Summer Fair
