A risk assessment will have been carried out by the organiser and all reasonable care has been taken by the Organiser and Planner to ensure the safety and well being of competitors. However participants take part at their own risk and are responsible for their own safety during the event.

Photography: You are welcome to take photographs or record video at this event, but please respect people's privacy and avoid photography close to first-aid and toilet facilities, or in areas where runners are changing.

Photographs may be posted on the internet. If there are particular reasons why an individual should not be photographed, please discuss the issue with the organiser in advance of the event. Report any concerns about inappropriate photography to the event organiser.

Beginners are welcome. Please arrive early so that you can get advice from an experienced orienteer.

Groups: If you intend to come to our event as part of a large group, e.g. Youth group, Scouts, Cubs, Athletic or running club, it would be helpful to let the Organiser know in advance. This ensures we can have enough maps available for you and avoid disappointment.
