

Footpath Relay 2013. See <http://www.mdoc.org.uk/footpath2013/Notes.pdf> for details.

Note that the links for the maps are in the 3rd column of the 1st page and the route notes are on the following pages. Please let me have an estimate of your running time once you have "reccied" your leg. If you have a problem downloading and printing the map for your leg please let me know sooner rather than later.

At present both teams are complete but I am open to any offers for a last minute run as a reserve for illness or injury. Estimated timings would be appreciated. Liz

9:00 Start
