

DVO Club Championships – Carsington Pastures – 15th June 2019

Part of the Club's 50th Anniversary Celebrations

Results

Organisers Comments

I hope you all enjoyed your day out in the beautiful Derbyshire Dales accompanied by the typical mid June weather. It is a real shame that two controls went missing (they were there about an hour before the first start) but the format of the mass finish makes replacement difficult. At least everyone got the same "experience".

Congratulations to our 2019 trophy winners:

Chris Yardley Trophy	Andy Mackervoy	First Male Finisher
Judy Buckley Trophy	Claire Newey	First Female Finisher
Lithuanian Trophy	Ella Baxter	First Junior Finisher
Peter Bourne Trophy	Chris Millard	Fastest Male on a Senior Course
Karan Jackson Trophy	Sal Chaffey	Fastest Female on a Senior Course

The latter two trophies will be presented at the Club's 50th Anniversary Celebration Ceilidh.

My favourite moment was watching the competitors contouring around the hill listening to commentary from John Hawkins and Graham Johnson. It was just too far away to be sure who was who and whether people were being caught up or extending a lead. It was also great that you all chipped in taking equipment back to the carpark.

Most competitors didn't find the use of needle punches too challenging although there were a few competitors who managed to punch in the wrong box or even forgot to punch at all! In such case, me and Ranald have decided to take a generous interpretation and let all the results stand as is, as it was clear that in most cases that these were due to "punch/card coordination" problems rather than navigational issues.

Results are provided in finish order (handicapped), actual minutes per "adjusted" k and actual time taken for each individual course. It is worth noting that in calculating the fastest competitors in minutes per k, the calculation for this year's event is based upon the course length, climb and an allowance for marking up the master map. This latter factor is necessary to allow comparisons between the courses.

Details of all the courses are available on Routegadget. Obviously, there are no results available on Routegadget but you can still upload your route and compare with others.

The link is <http://www.derwentvalleyorienteers.org.uk/results/rg2/#152>
